It was originally released in 2016, with two titles for the two different platforms, such as Dead or Alive Xtreme 3: Fortune for PlayStation 4 and Dead or Alive Xtreme 3: Venus for PlayStation Vita. The game has been distributed in Asian territories, where it contains an English language option. A version of the PC web browser called Dead or Alive Xtreme Venus Vacation was released in 2017. An update for the PlayStation 4 and Nintendo Switch ports, titled Dead or Alive Xtreme 3: Scarlet was released in 2019, followed by a Venus Vacation Steam port for specific Asian regions six days later. Gameplay Dead or Alive Xtreme 3 is a sports game played from a third-person perspective and maintains the camera mode from previous installations of the Dead or Alive Xtreme series. It has multiple game modes, which includes mini-games such as beach volleyball and “butt battle.” [4] Game modes include the beach flag, where the characters will compete in a race to retrieve a flag, and rock climbing. [5] The feature that displays tanning lines and malfunctions for swimsuits is only available on PlayStation 4. [6][7] In addition, there is a new tanning system. As the player unlocks new costumes for a character, the items will also be available for use by all characters. There are also new modes like Girl Mode, where the player canthe direct control of the girl they chose, and the Proprietary mode, where the player becomes a owner of another island. [8] The player is also able to start various activities with girls, such as dating. A new variant known as Foto Paradise was released in September 2016, allowing owners to take rotocal photos of the heroines in a variety of poses and swimsuits. [9] The PlayStation Vita version uses the console touch panel and the gyroscopic sensor features. [10] The PS4 then added a virtual reality feature. Development The development of Dead or Alive Xtreme 3 was disclosed by Team Ninja Yosuke Hayashi head during Dead or Alive Festival on August 1, 2015. [11] It was officially presented a week later in Famitsu, [12] and the first screenshots were published on August 21, [13] The PlayStation 4 version of the game offers an improved physical breast engine from Dead or Alive 5 Last Round, called Soft Engine 2.0, with the PlayStation Vita version using soft Engine Lite. [10] [14] The Soft Engine 2.0 also allows developers to implement a greater realism towards interactions between objects, such as moisture clothing and deformation. [7] The PlayStation 4 version is compatible with the PlayStation VR headset system. [15] The exit date was originally scheduled for February 25, 2016, but was later postponed to March. A free-to-play version of the game was released on May 16, 2016. The version contains all the features and game activities to try, but the player can only play as Kasumi; all other characters must be purchased separately. [16] Originally, the PlayStation VR support patch was thought to be included for October 13, 2016, but recently was delayed for some unknown reasons. The support was made available on 24 January 2017. In the course of the Tokyo Game Show 2016, a PC version of the web browser called Dead or Alive Xtreme Venere Holiday was announced to be released in 2017. [2] [17] In the course of 2018 Dead or Festival Alive held in Japan in November, Koei Tecmo announced a new edition of the game, Dead or Alive Xtreme 3: Scarlet, will launch for PlayStation 4 and the Nintendo switch on March 20, 2019 in Japan and Asia at least, with pre-orders for opening the game on November 19, 2018. [18] Exit Dead or Alive Xtreme 3 was released to Asian markets for PlayStation versions only, [19] [20] [21], but after the protests by fans, Hayashi said a version of the game "Directified for North America" could come to the West, if the question is high enough. [14] [22] [23] [24] However, on November 24, 2015, Team Ninja posted on the Facebook page of the concession stating that they do not release the game in Western territories. [25] LaAsian will include an English language option and is on both systems without region. [21] After the announcement of not releasing the playstation version of the game outside of Asia, a public debate arose if this was due in order to avoid the criticism of the sexualized women's representation in the games, or the relatively low northern America EE Sales of the previous game in the Dead or Alive Xtreme series. [26] [27] [28] Shuhei Yoshida, president of Sie Worldwide Studios, declared in a statement; "It is due to cultural differences. The West has his thoughts on how to represent women in the media of games of games that is different from Japan." [29] In response to the decision not to distribute, the developer behind the adult puzzle game and the sim Huniepop sim offered Koei Tecmo a million dollars for distribution rights in North America. [30] characters See also: List of dead or live characters The nine playable female characters of the original game have been selected from the 15 candidates of the Dead or Live Roster 5 last round as those whose payment themes were discharged more From fans on the playstation store, but only Japan downloads count. The first two characters will also be present in the first press bonuses. The results were announced during the Tokyo Show 2015 game. [31] [32] No further characters are scheduled to add through DLC until they were added to the update versions. [33] Marie Rose (17.6%) [34] Honoka (14.9%) Kasumi (12.0%) Ayane (8.2%) Kokoro (8.0%) Nyotengu (7.6%) Hitomi (5.9 %) Momiji (5.1%) Helena Douglas (4.9%) Dead or Alive Xtreme: Exclusive holiday characters Venus. Currently, only Liifang and the new Misaki character were added exclusively in Scarlet and As DLC for Xtreme 3: Misaki Luna Tamaki Leifang (Originally unqualified in Range 10, 4.7%) Nagisa Fiona Kanna Monica Sayuri Patty Tsukushi Lobelia Nanami Reception ReceptionGregateGate ScoregggregRegarsCoremetacritics4: 43/100 [35] In the first week of its version, the Fortune version sold 44,723 copies while the Venus version sold 21,959 copies. [36] In a financial report in April 2016, Koei Tecmo revealed that Dead or Alive Xtreme 3 collectively sent 190,000 copies within a month. [37] [38] Lewdgamer noted that sales are higher than Koei Tecmo Sophie's atelier: the alchemist of the mysterious book (170K) and the romanticism of the three kingdoms 13 (180k), two titles in the same relationship they are Stayed out for months longer. [37] [37] [37] [37] 38] Play-Asia, a retailer of import games, reported to have yet had their higher pre-order record with the release of Dead or Alive Xtreme 3. [39] The previous record holder was the Japanese release of J-Star Victory VS, a game initially was considered unlikely to be located due to the limits of the rights involving more anime licenses. [39] [40] Dead or Alive Xtreme 3 In the end he also broke the sales records of Play-Asia. [41] Famitu examined both versions of the game 32/40 (8/8/8/8). [42] The operation the precipitation have given dead or alive xtreme 3 a 3-star score out of 5, and even if praised the graphics and visual engine, found dead or alive xtreme 3 to be more than a technical demo than a finished game. They also noted that the game has "a lot of playback value". [43] Dead or Alive Xtreme 3 Notes (Ã ‡ Ã ‰ Ã˜ Ã˜ Ã âÃ âÃ, âÃ âÃ, âÃ âÃ âÃ, âÃ âÃ âÃ
